LEATHER

5/22

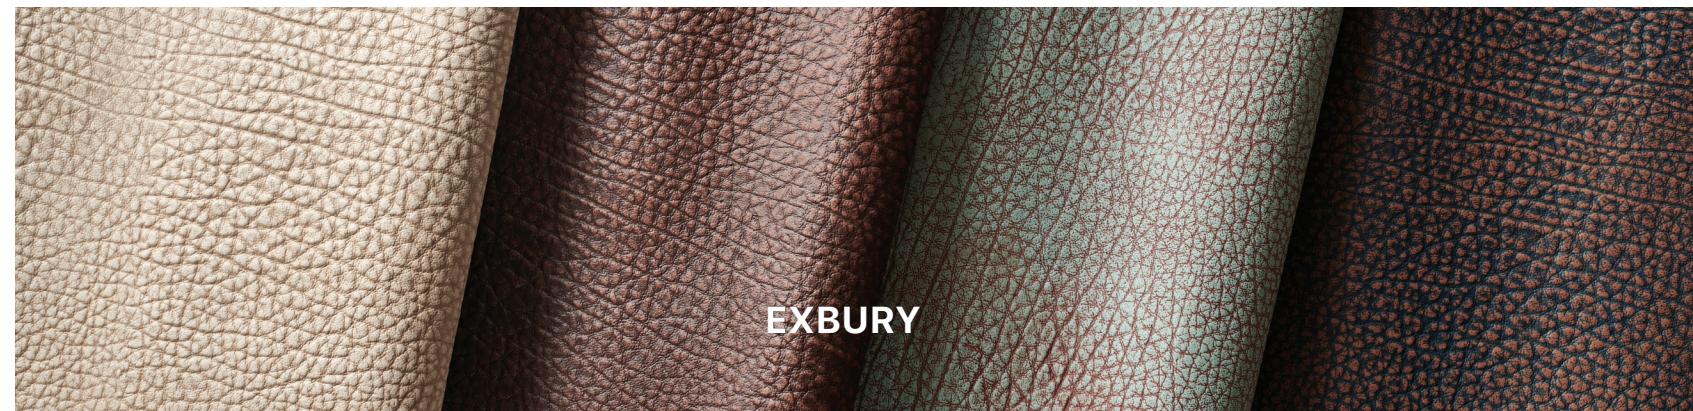

Inspired by the beauty and diversity of the idyllic glades and ancient woodlands of the New Forest National Park on the south coast of England, these leathers have visual and sensory appeal that evoke feelings of harmony and well-being.

Exbury will rejuvenate your senses and realize your most vibrant dreams with a spectacular collision of color and texture. The exquisite and decadent details are exemplified with its large grain pattern. Exbury is finished with hand-tipping and antiquing, ensuring a beautiful and lasting appearance.

EXBURY

Earthy and layered, Bolderwood harkens the sanctuary of an ancient coniferous canopy. The embossed pattern evokes the rich resolute of the centuries-old, undisturbed woodland floor. Artistic hand finishing accentuates the pattern and gives depth to the final appearance.

BOLDERWOOD

The mysterious continuity of the forest is embodied by Hawkhill. This roughout leather reflects the organic and evolving adaptability of our ever-changing world. Hawkhill is made in Italy, finished with natural resins, milled and artfully sanded to obtain the visceral textures found in our natural environment.

HAWKHILL

Channel the undulating shorelines and sensation of strolling a gravelly coastal footpath with Keyhaven. Relaxed and restful, this small grain leather embodies the unique colors and shapes of eroded rocks where fossils have embedded. Its granular, tactile pattern and handcrafted finish are a distinctive touch.

KEYHAVEN
